

# Construction Zone

An adventure about construction and buildings  
with an emphasis in physics

Construction Zone is all about having fun and learning. Each child participates in several activities, songs and dances designed to teach about construction. During Construction Zone sessions, children explore different aspects of building including, equipment, building materials, safety, and the stages of construction. The emphasis of this adventure is physics. Children learn about how structures stay standing.

This session includes:

- Building material activity
- Construction equipment skit
- Making models
- Constructing a building
- Construction Songs
- Construction craft activity
- Story Time
