## Fun in the Jungle

An adventure about jungle animals and their habitat  
with an emphasis in science

Fun in the Jungle is all about learning and having a good time. Each child participates in several activities, songs and dances designed to teach about jungle animals. During Fun in the Jungle Adventures, children explore different aspects of jungle animals, including where they live and what they look like. The emphasis of this adventure is science. Children learn about the habitat of jungle animals.

This Adventure includes:

- Jungle Safari
- Jungle Animal Games
- Animal Mask Decorating
- Jungle Animal Habitat Game
- Jungle Songs
- Jungle Dances
- Story Time
