THEME PARTIES

Astronaut Training Party

Best for ages: We can easily adapt this theme party for ages 4-7!

Duration: 1.5 hours

Main Activities: We'll train you and your guests how to conquer space – we'll cover flight and speed (flying saucer craft activity and flying contests), balance games (you need that in zero gravity!), teamwork (relay races – astronauts work in teams!), and we'll eat pizza to build our strength! If space allows, we can also make and decorate rockets from boxes and use them for rocket relay races with astronaut helmets.

Craft Activity: Make your own flying saucer, which we will then use for flight contests!

Types of Games: Relay races, perhaps with an obstacle course if space allows. We can also do parachute games (moonscape!), freezedance, and other movement and dancing games. We'll also play the piñata game with a space-themed piñata!

Goodie Bags: Each child will take home a plastic astronaut space helmet! Helmets can be personalized for \$1 each.

Invitations: We encourage you to use our online themed FunVitation system!

Piñata: This party package includes a space-themed piñata with candy!

Balloons**: We suggest balloon bouquets in blue, purple silver, and green or any of your favorite festive colors.

Price: The Astronaut Party is custom-priced. Please see your Andy's Parties party planner for details!

**Andy's Parties includes all supplies and materials for items generally included in a basic party package. Unless noted, items marked with ** for theme parties are add-ons to the basic party package and are priced separately. Please see your Andy's Parties party planner for more details to make your awesome basic party even more fun and memorable!
