

CORPORATE PARTIES

“Little Girls’ Day Out” Corporate Packages

Create your own package – several options available for entertainment stations. We can accommodate all of your guests and length of event! You can easily adapt this package for ages 3-12!

Options – Little Girls’ Day Out Corporate Events

\$75 per station/hour (minimum package: 2 stations and 2 hours)
 Each station attended by a great Andy’s Parties team member!

Karaoke - Karaoke machine includes screen, CDs and microphones! Your HS Musical or Hannah Montana fan won’t be disappointed! **You provide table.**

Nail Painting – basic fingernail painting

Make-up – powder blush, eyeshadow, lip gloss, and body glitter

Make-your-own-lip-gloss Craft - **requires access to hot water** – we’ll bring everything else! Includes 25 crafts per hour. Add’l lip gloss crafts \$3 ea.

Make-your-own-CD-case Craft – foam CD case. Includes 25 crafts per hour. Add’l CD crafts \$2 ea.

**Not all stations available at every location. Please check with the Andy’s Parties near you for availability.

For an additional fee, we can also offer a DJ, moonbounces or other inflatables, food service, photo service, additional balloons, goodie bag making stations, or a tie-dye station. Ask about our larger selection of stations for corporate events.

Balloons: Some solid latex balloons are included with your Corporate Children’s Entertainment Package to designate stations. If you would like more, please let us know!

Please note, Corporate Packages are less-structured and designed to allow children to participate for as little or as much time as they like. Andy’s Parties team members do not “emcee” a corporate event. This package is great for events when guests will arrive at varying times. Please keep in mind the length of your event and other activities at your event when choosing your Andy’s Parties stations!

If you don’t see it here...please ask. For more information, call the Andy’s Parties location near you or call our Corporate Party Headquarters at 866-876-1FUN!
